

COLLECTIVE BARGAINING SYMPOSIUM – A ROUNDTABLE DISCUSSION; THE LATEST NEWS FROM SPRINGFIELD & WASHINGTON; & CURRENT “HOT TOPICS”

An ISDLAF+ User Group Informational Seminar (no charge)

SEMINAR OVERVIEW

School districts across the state are in negotiations, but often in isolation. This ISDLAF+ User Group Seminar is set up as a working session for superintendents, business managers and other management team members to share with one another the issues you are negotiating, strategies you are using, and solutions you have found. We will have a short presentation by a panel of administrators, attorneys, and team members, and then facilitate an open discussion among participants.

Among the topics for discussion:

1. Benefits: health plans, cost control, insurance committees
2. Retirement issues: 6% cap controls, post-retirement payments
3. Special education: response to Intervention, case loads, class sizes, time
4. Regular Ed: time, testing
5. Evaluation
6. General economic issues: Reopening contracts, wage concessions, Reduction in Force provisions.

Alliance Legislative Representatives will also provide an update on what is happening in Springfield and Washington and we will discuss any “Hot Topics” currently impacting school districts.
